

# TOWN OF PINES –SPRING LEAF PICK UP

Leaf pick-up will begin May 1<sup>st</sup> (or sooner if weather permits). The Pickup crew will begin on the east side of town and work their way west. The leaf pickup resumes wherever it ended on the previous day until the town has been completed then it again starts on the east side of town heading west. If you happen to miss a “go around” you will need to wait until the Pickup crew makes a complete roundabout.

\*\*\*Only Town of Pine’s resident property leaves can be set out for pick up.\*\*\*

## **\*\*\*SPECIAL NOTE\*\*\***

***Items such as sticks, rocks and limbs slow the leaf pickup process and cause damage to the leaf machine.***  
**LEAF PILES NEED TO BE FREE FROM DEBRIS OR THEY WILL NOT BE PICKED UP.**

**\*\*\*Limbs will be picked up at a separate time. Limbs must be no larger than 3 inches round and 4 feet in length. Please place limb piles separate from leaf piles\*\*\***
